

~25 words

Would you recognise the first artificial intelligence? At the dawn of a new era one human being faces a decision which could change our understanding of humanity forever.

~50 words

Would you recognise the first artificial intelligence? At the dawn of a new era one human being faces a decision which could change our understanding of humanity forever. "Birth" is the second film in Paul Leeming's robot trilogy, capturing a starkly plausible vision of the near future.
